**Record Note:** Contract modification M070 adjusts the estimated cost and fee pool amounts in paragraph B.4, Table B-1 of the contract in accordance with contract clause H.43, Available Fee Pool. The amounts originally in the contract were \$970.6 million in total site funding, and a \$50 million available fee pool for Fiscal Year 1999 (based on Fiscal Year 1996 data). The most recent information from RL-BUD confirms total site funding of \$820.6 million. Invoking contract clause H.43, M070 adjusts the fee pool to \$42.3 million. The issue of RL ability to adjust the fee pool amounts was addressed previously in letter 98-PRO-565 and in PRO's response to FDH's December 9, 1998, informal "White Paper" submitted to the RL Manager. RL recognizes that estimates for out-year funding do not reflect current information; however, based upon previous agreement between the RL Mgr, and FDH President only current year estimated costs will be changed.
